SOLOMON'S TEMPLE

Click here to take you to the craft page. Print the first 2 pages onto card and follow the instructions below to create this 3D picture.

(You can download more pages to make the frame as shown below. Very effective, but it takes much longer!)

(Use sticky foam shapes to stick your pieces on to the background)

Cut out and stick the pieces onto the background in this order:

1. Second storey of the Temple
2. Ground floor of the Temple
3. Pillars
4. Large bronze bowl, held up by sculptured bulls
5. Smaller bowl on wheels
6. King Solomon
