I had a great day today. I saw a huge crowd of people waiting by the side of the lake for a boat to arrive. | There was a man called Jesus. He got off the boat and was talking to about 5000 men, plus women and children.

Everyone was hungry. He wanted to know if there was any food. I gave him my lunch - 2 fish and 5 loaves. He said a prayer of thanks. | His friends started giving the food out. It was fantastic. Every time someone had some food more appeared. It kept coming!

Everyone had as much as they could eat. | Jesus said 'Thank you for being so generous'.

When everyone had eaten there were 12 baskets of food left over. I'll never forget today!
